## ELECTRICAL MATERIAL

Supplier of world class brands and products in electrical such as cables, panels, switches, wires, lugs, connectors, cold shrink products, adhesives, termination kit, wire pulling lubricants, identification system and many more.

## FIRE AND SAFETY

Field Star specializes in Designing, Supplying, Installation and Commissioning of Fire Fighting and Fire Alarm Projects. As a service oriented company we don't depend on any sole brand products, nor are we tied to one specific proprietary brand. As an independent company we are choosing from a wide variety of products available as per clients requirement or specifications by the consultants.

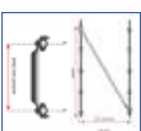

Field Star's Managing Partners and Designers have worked in the Fire Protection Industry for over ..... years where they have gained experience in all aspects of Fire Protection systems and the full team has well experienced fire technicians and engineers.

## SCAFFOLDING

**Field Star Trading LLC** provides scaffolding for restoration projects. In the domestic market we have regularly provided scaffolding services to development projects, roofing contractors, new build construction.

We supply Galvanized Scaffolding tubes Boards in accordance with BS 5978 or equipment AS/NZS 4357/EN 14374 : 1995 and ANSI A10.8-2001. Each Scaffold board is individually proof laminated.
